

We work on all makes and models of most vehicles. We are family owned and operated and take pride in good customer service. Auto One is committed to serving the Ann Arbor area with professional repair and maintenance at a reasonable cost by highly qualified technicians using quality auto parts, state-of-the-art equipment and expert knowledge. We stand on sound business principles and uphold high standards to service all of your auto repair needs. Auto One's experienced mechanics service all vehicle makes and models, both domestic and foreign. Our experienced staff explains repair details in straight-forward terms, obtains your approval before any repairs are made, and is always available to discuss any of your auto related questions to keep you in the loop.
