

***For greener and healthier lawns, trees and shrubs***

## About Us

GroGreen is “The Best in Texas” because we offer premium lawn, tree and shrub care applications that you can count on! Our programs are comprehensive and reasonably priced so you can have the landscape of your dreams without breaking the bank. We guarantee that no other company will come close to delivering the results we’re capable of! Still need convincing? GroGreen is the only company in Texas to be included in the Top 25 national ranking by our industry trade magazine, *Landscape Management*. We do it all – lawn care, pest control and landscaping! Just call today!
